Find the Right Aetna Doctor or Facility

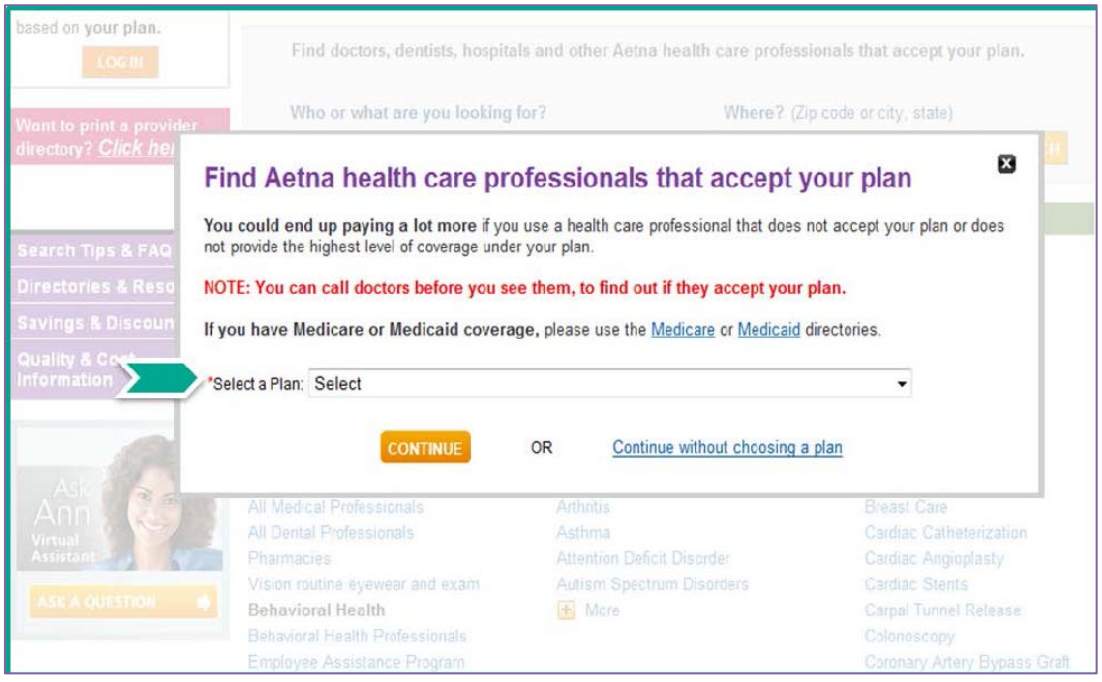
You can locate a doctor or facility through Aetna's **DocFind® Online Directory**. DocFind is updated six times a week. Please keep in mind that the availability of any particular provider cannot be guaranteed.

Steps to Locating a Doctor or a Facility

1. Log on to: **http://www.aetna.com/docfind/home.do**

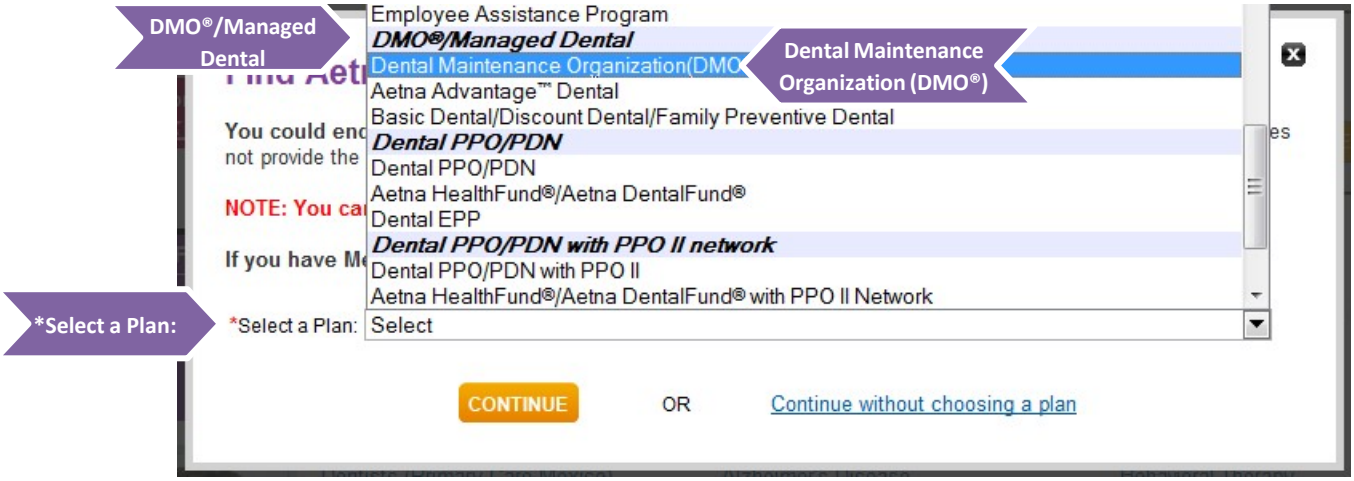
2. Fill in the fields as indicated online. Fields marked with an "*****" are required. You can search the entire directory or search for a specific provider.

The next screen is "**Select a Plan**"



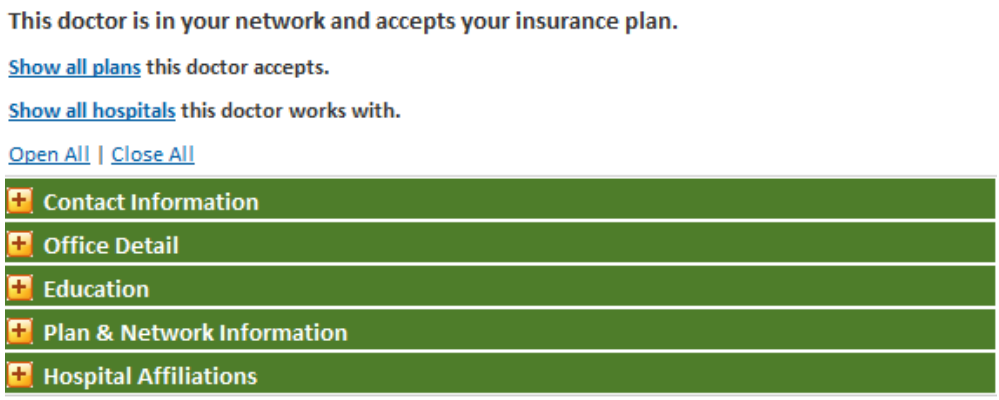
3. Select "**DMO®/Managed Dental**"

4. Then select "**Dental Maintenance Organization (DMO®)**"



5. Click "**Continue**" and the provider listing will appear.

6. Click "**Provider Name**" to view important provider information including a listing of the plans the specific provider accepts. You must call and check with the provider before scheduling your appointment or receiving services to confirm if he/she is still participating in Aetna's network. **Important: Use the 6-digit primary office code on the employee application.



7. To print your provider directory, click "**Print**".
